

- Product Name:** HYTROL PATH & DRIVE
- Contents:** Contains Glyphosate and Metamitron. Formulation: Water dispersible granule (WDG)
- Use:** Total weed control in non-crop situations
- General Description:** Total weed-killer for paths, drives and patios. Lasts for up to one season. Results may be affected if rain falls within 6 hours of application.
- Rates of Application:** Knapsack: Mix 2 sachets of Hytrol Path & Drive with 5 litres of water to treat 80sq m. Watering Can: Mix 1 sachet of Hytrol Path & Drive with 10 litres of water to treat 40sq m
- Mixing Instructions:** First add half of the required volume of water to the container. Open the sachet and pour contents into the container. Leave to soak without stirring for at least one minute, then stir thoroughly until granules are totally dispersed. Top up the mixture with remaining amount of water. Use immediately after mixing.
