

**Product Name:** MOSGO PATH & PATIO CLEANER

**Contents:** Contains a mixture of mineral acid salt of an organic amide and a cationic fatty amine derivative

**Use:** Mosgo Path & Patio Cleaner is a concentrated formulation for the removal of dirt, stains, moss and algae growth

**General Description:** Mosgo Path & Patio Cleaner has a powerful formulation which helps to clean off stubborn dirt and stains as well as moss and algae growth. It can be used on many surfaces for example most masonry walls, brick, concrete, and stone.

**Rates of Application:** Ensure the area to be cleaned is thoroughly wetted prior to applying the product. Mix one part of Mosgo Path and Patio Cleaner with two parts water, using a plastic watering can for mixing and application. Never use a metal container.

Apply to the area to be treated and brush thoroughly. After 10 to 20 minutes, rinse off thoroughly. For stubborn areas repeat as necessary.
